ABOUT ME

An adaptable Electrical Engineering graduate from Universitas Negeri Yogyakarta specializing in software development and embedded systems. Possesses practical experience as a Fullstack Developer Intern with proficiency in Laravel, MySQL, and occupational safety standards (SNI ISO 45001:2018). Passionate about leveraging technical expertise to build efficient and scalable engineering systems.

EDUCATION

Bachelor of Applied Engineering (D4) in Electrical Engineering

Yogyakarta State University
GPA: 3.46 / 4.00
August 2025 - August 2029

Software Engineering

State Vocational High School 13 Bandung
Graduated: 2025

WORK EXPERIENCE

Fullstack Developer Intern & IT Support Intern

PT. Pandawa Yogaswara Abadi Teknologi | Bandung, Indonesia
October 2024 – March 2025

- Warehouse Management System Development: Built a web-based Warehouse Management System (WMS) application from the design stage to the implementation of core features.
- Database Management: Designed a relational and optimal database schema using MySQL to ensure the integrity of stock and inventory data.
- Laravel 11 Implementation: Utilized the Laravel 11 framework to build a clean, efficient, and high-performance backend architecture.
- Workflow Optimization: Contributed to synchronizing warehouse operational needs into system functionalities, such as inbound/outbound stock management and automated reporting.

ORGANIZATIONAL EXPERIENCE

Communication and Information (KOMINFO) Bureau Staff

Electrical and Electronics Vocational Student Association (HMVE)

October 2026 – 2027

- Publication, Decoration, and Documentation (PDD) Coordinator - Volta Olympic 2026
- Consumption & First Aid Staff - *Leadership Electrical and Electronic Development* (LED) HMVE UNY 2026

CERTIFICATIONS

- **Occupational Health and Safety Management System based on SNI ISO 45001:2018**

  National Standardization Agency of Indonesia (BSN)

  October 2026 – October 2027

  Certificate Number : ELSDS/BSN/23587/XXVI

SKILLS

- **Engineering & Automation:** Systems Control, IoT Development, Microcontrollers, AutoCAD, Electrical Systems
- **Software & Web Development:** HTML, CSS, JavaScript, PHP, Python, MySQL, Laravel Framework
- **Tools & Media:** AutoCAD, Photo Editing Tools, Photography, Microsoft Office (Word, Excel)
- **Standards & Compliance:** SNI ISO 45001:2018 (Occupational Health & Safety Management System)
